

The schools in this district will develop a well-rounded and age-appropriate extracurricular activities program that provides opportunities for students to participate in a variety of activities which may include, but are not limited to, journalism and yearbook, music, speech and drama, and interscholastic athletics. To provide a variety of activities for students, the district will periodically assess the types of activities offered, the scheduling of facilities and activities, and the expenditure of funds.

PARENTAL PERMISSION

This district will provide parents/guardians an opportunity to opt out of having their student join or participate in any extracurricular activities (including competitive interscholastic activities and events). The district will annually notify parents/guardians of the available extracurricular activities in the school handbook or other appropriate publication and provide an opportunity for parents/guardians to indicate that they do not want their student to join or participate in any extracurricular activities. The advisor or coach for each extracurricular activity will be responsible to review if parents/guardians have opted out of having their student join or participate in the activity. The district is not responsible for preventing a student from attending meetings open to non-members, or engaging in casual, non-official participation in extracurricular activities and the decision of the parent/guardian to opt out is not a guarantee that their student will not be associated with such organization, club or activity. Parents and guardians are ultimately responsible for the affiliation of their student.

FEES FOR EXTRACURRICULAR ACTIVITIES

Recognizing the importance of a well-rounded activities program to the academic, social, and physical development of students, and recognizing the limited funding available for such activities, this district requires that all student participants, regardless of the activity, pay a nominal fee as indicated on the fee schedule below.

KHS Athletic Activity Card	\$20
KHS Sports Physicals	\$20
KMS Activity Card	\$10

Fees will be held in a dedicated fund to offset costs of operating the student activities program. Students who are unable to pay the fee may receive a full or partial waiver as determined by the superintendent or designee on a case-by-case basis.
