A student may receive eight (8) semester credits toward high school graduation through correspondence courses. The student must notify the school district of his or her intent, and obtain approval, prior to enrolling in the correspondence course. Kellogg School District will recognize for academic credit all online courses offered by Idaho Digital Learning Academy.

Registration fees and costs for Idaho Digital Learning Academy (IDLA) courses for students enrolled at Silver Valley Alternative School will be borne by the district.

Registration fees and costs for Idaho Digital Learning Academy (IDLA) courses for students enrolled in schools other than Silver Valley Alternative School will be borne by the student and/or his/her parent(s) or guardian.

Any waivers to the provisions of this policy must be made in writing to the building administrator and approved by the superintendent. Said decision may be appealed to the Board of Trustees.
